UNITED TECHNOLOGY GROUP COMPANY

ABOUT THE COMPANY

United Technological Group of Companies UTGC - among the top 10 beverage producers in the nationwide ranking of 2023. The Group of Companies unites 4 own plants, logistics centres and GIFT Trading House. The assortment line includes 70 brands and ensures the presence of products in all price segments. UTGC plants use the most up to date technological equipment with a total capacity of over 150 million decalitres. The total number of employees is more than 5000 people. Continuous development, search for new solutions and technologies allows us to respond quickly to trends and create them ourselves, justifying and outperforming the expectations of customers and partners. UTGC supplies products to China, Kazakhstan, Armenia, Belarus, Kyrgyzstan, Uzbekistan, Georgia, Azerbaijan, Iraq, Iran, Mongolia and other countries.

TH GIFT - the largest distribution company, on the beverage market since 2006; we actively co-operate with leading federal retail chains on sale of non-alcoholic products. Our wide range of products includes the following categories: lemonades, cocktails, juice- and milk-containing, energy and vitaminized drinks. The brands Pulse Up, Free Masai, Frupy, and many others have won the recognition of customers throughout Russia and abroad, they were highly appreciated by the leading experts of international exhibitions ProdExpo and WorldFood.
